PART C – PAYMENT SCHEDULE

There will be three payment options in paying College fees in 2017:

1. Full Year's Tuition Payment:

Payment for the full year's Tuition incurs a discount of 5% (not applicable to 'Levies' or Kindergarten). This payment must be made before **3rd March 2017**.

2. Term Payment:

Payable in four installments as per dates, below.

- Payment 1: Due before **3rd March**
- Payment 2: Due before **19th May**
- Payment 3: Due before **11th August**
- Payment 4: Due before **3rd November**

3. Direct Debit (Weekly/Fortnightly/Monthly) Payment:

Direct Debit payments including using B-Pay and PayWay. Direct Debit payments must, in total, be sufficient to clear total annual fees by **3rd November 2017**. The Direct Debit payment needs to be calculated as the total 2017 fees/charges divided by the payment option increments selected. Three payment scenarios are:

- Option 1: Weekly – 40 Payments
- Option 2: Fortnightly – 20 payments
- Option 3: Monthly – 10 payments

Payment Schedule Notes:

Please note: Tuition fees and levies will be invoiced at the beginning of the school year, reflecting the total cost for 2017.

Tuition fees and levies may be paid using the options above, but the invoice will show the full year's amount.

(a) Students who enrol mid-year will usually pay pro rata fees. However, fees payable will be set by the Business Manager. Some fees cannot be calculated using pro-rata e.g. insurances, etc.

(b) The three-year-old Kindergarten (if conducted) does not receive any government funding, and is included within the four year old programme. The four-year-old programme receives only state government funding.

Therefore, parents must be aware that costs are somewhat more than those enrolled at Pre-Primary and other sections of the College.

(c) Secondary students (Year 7-12) must purchase their own books according to a *Booklist* that is issued during Term Four of the previous year.

(d) Parents who have decided to send their child to Kindergarten for less time than offered, will be required to pay the full fee because the part time child still takes a place that could be offered to a full time student.

(e) The calculation of fees when a family has secondary and primary students is discounted from the highest fee paying student to the lowest. Discounts for families with multiple children do not apply to Kindergarten (non-compulsory) year groups.

(f) Families with outstanding fees beyond the payment date may have their circumstance reviewed by the College. In cases where the outstanding account is not being addressed effectively, as judged by the College, the enrolment may be cancelled. Without payment the matter will usually be referred to the College's debt collection agency with associated interest fees (6%) payable.

(g) Families eligible for Secondary Assistance through the Commonwealth Government Scheme are encouraged to make this available to the school. Those with an eligible concession card might be able to access payments.

NOTICE OF WITHDRAWAL

A full term's notice, in writing to the Principal, must be made before exiting the school, or an additional term's fees will be charged. For example, if a parent wishes their child to leave in Term 4, then the last day of Term 2 (of the same school year) would be the final date for notice to be made to the Principal. Mid term notice, which is received after the cut-off date, will attract full fees/charges for the subsequent school term.

For your convenience:

- (a) A Notice of Withdrawal Form is available from the school office;
- (b) An email may be sent to the Principal using admin@hillside.wa.edu.au
