

TEACHER - LOWER SECONDARY – SCIENCE Commencing Term 1, 2020

HillSide Christian College is an evangelical, Christian school with an approximate enrolment of 340 students from Years 4K-12. Please view the school website for general information: <http://www.hillside.wa.edu.au>

Position Description

HillSide Christian College is seeking applications for a 0.62 FTE Secondary SCIENCE teacher. The successful applicant will be a practising evangelical Christian, who is able to demonstrate and work within the College's Christian framework. The position is 12 months' FIXED TERM . Any appointment to the position will be dependent upon the successful applicant accepting the College's Code of Conduct (including Statement of Faith) and the employment contract.

All applicants wishing to submit an application should be able to demonstrate their personal faith in Jesus Christ as God and Saviour, and be an active member of an evangelical Christian Church. The applicant should be a teacher of quality with high level skills, with an ability to work within a Christian team setting. New graduate teachers are encouraged to apply. The position involves a main teaching load in lower secondary Science, but may include a minor lower secondary Mathematics responsibility.

The application must include:

1. Covering letter (maximum one page);
2. The applicant's current CV outlining qualifications, church membership, professional referees, contact details, and career history;
3. A written reference from a Pastor/Elder or the contact details of a Pastor/Elder who may be contacted for a verbal reference in regard to the applicant's Christian faith and practice;
4. All qualifications and compliance documents named in the dot points below. Supply photocopies of the original documents along with the application. Originals will require sighting:
 - a current Working with Children Card;
 - a current TRBWA registration.
5. Statement addressing the selection criteria provided. Response to the selection criteria may be a maximum of five (5) A4 pages, with a minimum font size of 12 points.

All applications and enquiries should be emailed to: stephen.lamont@hillside.wa.edu.au

This position has been re-advertised and will be only filled when a suitable applicant has been appointed.

Please note: The College reserves the right to fill the position at its discretion and timing, and to withdraw the position/advertisement if required. The position will only be filled by the College when a suitably qualified applicant is secured. Wages, contract details and other school policies will be available upon request. The College also reserves the right to make any necessary enquiries outside listed referees if required in the selection process.

SELECTION CRITERIA

Applicants should be able to articulate their responses to the following questions and statements:

1. How will you support, and practise the College's Statement of Faith, particularly demonstrating an ability to meet social issues from an evangelical Christian worldview?
2. What is your understanding of Christian Education, and how would you deliver SCIENCE teaching programmes from a Christian worldview?
3. How do you demonstrate a commitment to professional standards (AITSL), and improving your own professional learning?
4. Practise high behaviour management skills, and have positive engagement with students, parents and staff.
5. Demonstrate high level communication skills, and an ability to work in a team setting.
