1. Using SEQTA Engage

SEQTA Engage is a powerful tool for parents to have an overview of their child's learning and assessments. It also provides a communication channel for parents and teachers, enabling greater collaboration and hopefully enhanced learning outcomes for the students.

This manual is designed as a guide for parents and is intended to provide the information necessary for the user to effectively use SEQTA Engage. Some aspects of SEQTA Engage may not be part of the school's implementation and it is therefore recommended that you follow your school's procedures where it differs from the suggestions within this manual.

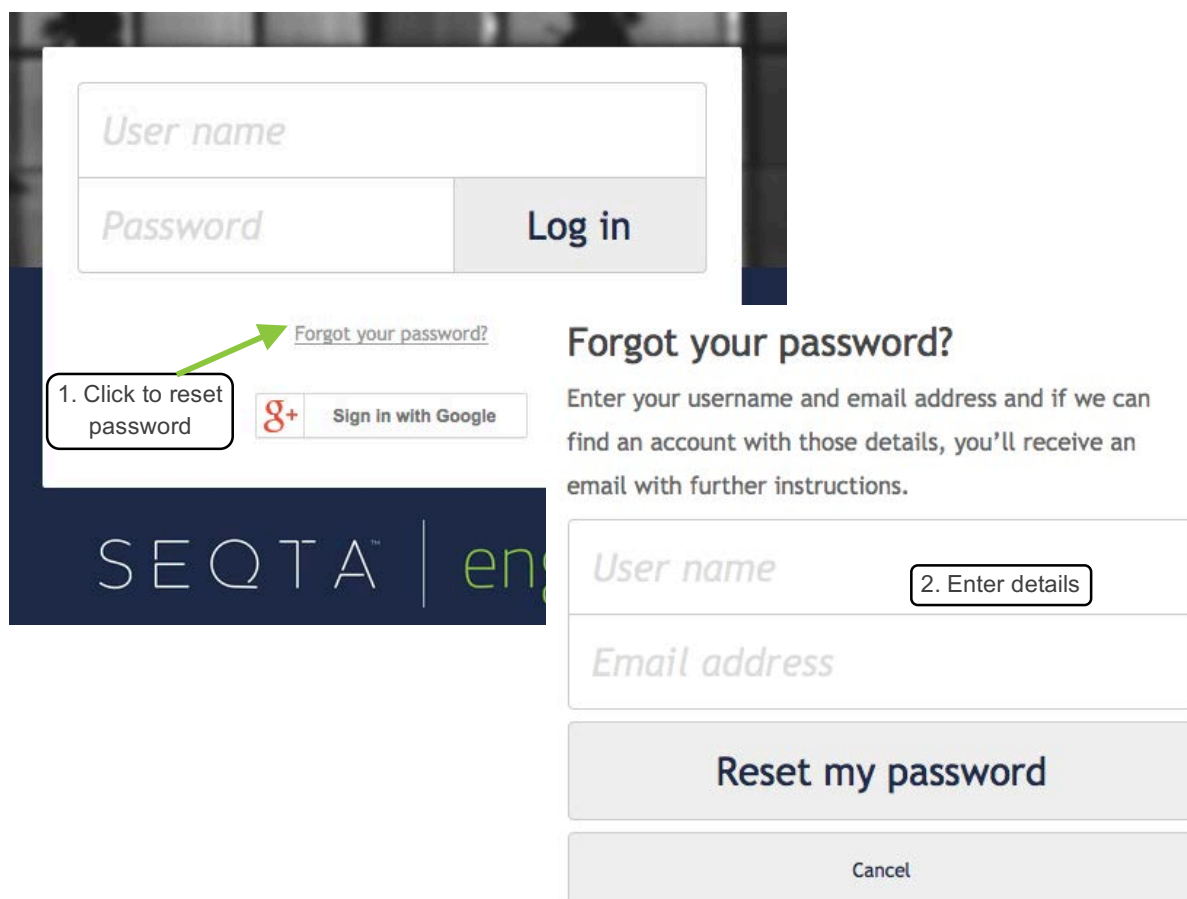

Both the SEQTA Engage and SEQTA Learn sites use the SEQTA Teach programmes as the primary vehicle through which all the teaching and curriculum-related information is shared.

1.1 SEQTA Engage views

SEQTA Engage provides parents with access to key information. In addition, teachers can share course and assessment information as well as allowing students to submit assessments. The options available may differ slightly from school-to-school depending on how the school has set it up.

Parents enter SEQTA Engage through their login page entering the username and password the school has provided you.

If you forget your password, select 'Forgot your password' and enter your username and email address and select 'Reset password'. The SEQTA system will then send you an email with further instructions.

1.1.1 What can be viewed in SEQTA Engage

A number of pages can be accessed through SEQTA Engage. However, available options may differ slightly from school-to-school depending on how the school has set it up. Click the page to view information required.

- **Assessments:** View assessment information and results. Students can upload e-submissions and also submit online assessments.
- **Courses:** Course and lesson outlines
- **Dashboard:** Access to dashlets (eg. absences, pastoral care details)
- **Direct messages:** Internal messages similar to email.
- **Documents:** Access to view school document repository.
- **Folios:** Students can create folios which can then be shared with other Students, their Parents and/or Teachers.
- **Forums:** Forums are created by teachers to facilitate collaborative online learning for students.
- **Goals:** Students can set goals allowing the school to track students' progress against specific educational and career goals.

- Notices: Are used by the school to communicate information that is not specific to a subject or student. If enabled by the school the notices can be viewed through SEQTA Engage.
- Portals: Portals provide parents and students respectively with access to key information from their school.
- Reports: Access to academic reports.
- Settings: Profile management
- Timetable: Your child's school timetable can be viewed from here. Schools may also decide to add the co-curricular activities they are currently engaged in on to their timetable.

1.2 Welcome Page

This is the first page displayed when parents log into SEQTA Engage.

Any title in the menu that appears with a black arrow to the right, indicates there are numerous options for that section.

1.3 Assessments

Parents can view results and teacher feedback (if enabled by the school) for any timetable period and subject through the *Assessments* page.

Upcoming assessments show for students and parents when a teacher has made the assessment 'visible' in their marks book. If the due date is red the date for submitting work has passed.

Jason Bourne BOURNE22 / 123456-7

WELCOME LATEST NEWS SCHOOL EVENTS

The view of the upcoming assessments can be changed between *cards* or *list*.

Teachers may choose to upload resources to individual assessments to support students with the completion of a task. These documents can also be downloaded and viewed by parents.

The screenshot displays the SEQTA Engage interface for a user named Lauren Ailsa. The top navigation bar includes the SEQTA Engage logo and a 'LIST' dropdown menu. A callout box points to the 'List' option, stating 'Click to select List view'. Below this, a table shows upcoming assessments:

	DATE	TITLE
	15 Mar 2016	TASK 2: Oral Presentation on a film/documentary
Music Ensemble	6 Apr 2016	South Pacific scene

The left sidebar shows a navigation menu with 'Upcoming' highlighted, and categories like 'Human Biological Science' and 'Musical Theatre'. A second callout box points to the 'CARDS' dropdown menu, stating 'Click to select Card view'. This view shows a card for 'English TASK 2: Oral Presentation on a film/documentary' dated 15 Mar 2016. A third callout box points to a document upload area for 'Music Ensemble In-Class Essay' dated 20 Apr 2016, with a note: 'Resources the teacher has provided for the assessment task can be'. Below this, two documents are listed: 'Musical Theatre Unit Tas...' and 'Task 4 - Criteria A.docx'.

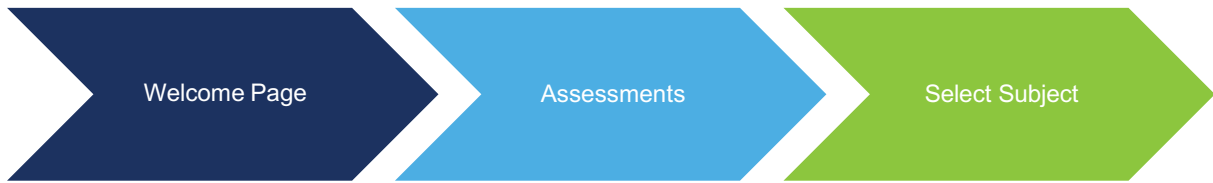

1.3.1 Viewing Assessment Results

Teachers can also make students' marks and applicable comments visible through SEQTA Engage. Schools may choose to notify parents through email when results have been released.

Teachers can also give students the ability to electronically submit their work. Work submitted electronically can also be viewed with the results information.

Viewing the results information can be changed between *Task* view and *Syllabus* view. *Task* view will display results only. *Syllabus* view displays the assessment results, teacher comments (if provided) and any additional documents the teacher has uploaded for a student.

Teachers may also set the option that once the marks have been released, students can write a reflection, identifying what they did well and next learning steps. This will then be visible to the teacher via the *Marks book* and also to parents.

Performing

MUS01

Students apply musicianship, skills, techniques and conventions when performing. In achieving this outcome, students demonstrate musicianship and control of instrument specific techniques; demonstrate stylistic and expressive awareness; and demonstrate awareness of the roles and contributions of other performers and performance contexts. Students participate in practical activities in instrumental, vocal and ensemble music in a range of settings through formal and informal learning processes. This can involve playing from notation, from memory, improvising, playing by ear and the application of sound production and technology.

SCORE: 80%

Score: 32 / 40

Piece - 1st Movement, Sonata for Flute & Piano - Poulenc

A complex piece, well handled. Be careful to be clear with your tempo at the beginning, as it seemed to settle. Keep working on your articulation between figure 4 & 5. Some small intonation issues, but generally accurate. At times the dynamic levels can have more subtlety. Particularly try to show clear differences when moving from piano to forte or vice versa. Some lovely musical shaping and complex articulation.

STUDENT'S REFLECTION ON SCORE

I thought I played the piece well, however I need to work on my double tonguing as this will help me with the articulation and timing of the piece. I also need to go through some of the faster semi-quaver fragments as I need to fix up some of the notes and fingering on the flute.

1.3.2 Assessment Notifications

To enhance communication between the school, and parents, notifications are automatically sent to your device via email if you have not accessed SEQTA Engage within a time period set down by the school.

Notifications are sent when:

- a new academic report is available
- a new *Direqt message* is sent
- when there are changes to assessments/results are visible (depending on assessment settings)
- when student goals are added or edited
- when new messages or comments on student folios are made.

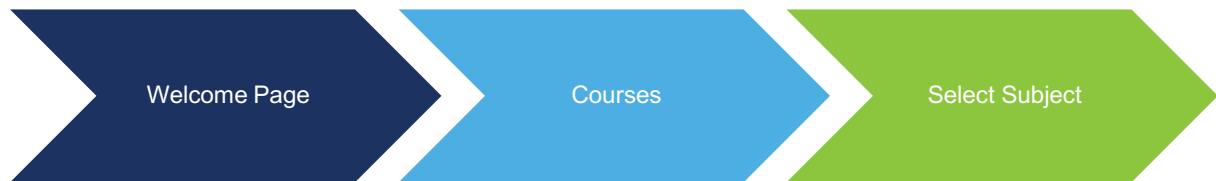

Notifications display in the top right of the screen (sunshine icon). Once clicked, a list of notifications will be visible. Clicking on a specific notification will take you to the actual section of the menu list.

The number of unread notifications is displayed on the notification in red.

1.4 Courses

Through *Courses* parents can view lesson outlines, resources and homework. Homework is also visible through the *Dashboard*.

1.4.1 Homework

The screenshot displays the SEQTA engage user interface. On the left, a sidebar lists various courses, with 'Human Biological Science' highlighted. The main content area shows a course overview for 'Human Biological Science' with a 'Cover page' link. Below this, a calendar view shows lessons for weeks T1 W5 through T1 W7. A callout box points to the 'Cover page' link with the text: 'Click the cover page to view course information'. Another callout box points to the lesson entry for 'U3:7. Lymphatic system and Antigens' on 13 Mar, with the text: 'Click the date to view lesson details and homework'. The lesson details for U3:7 are expanded, showing a lesson outline with bullet points: 'Define specific defences', 'Outline the structure and role of the Lymphatic System (slides 5-9 PPT)', and 'Define Antigens'. Below the outline is a 'Homework' section listing 'chapter 12', 'RQ 1,2', and 'AYK 1'. At the bottom, there are icons for '2AB Defence agal', 'Lymphatic Syste...', 'PPT - Immune Res...', and 'twigt Immune de...'.

1.5 Dashboard

The *Dashboard* provides an overview of many important summary components of a student. Information such as, dates of unresolved absences, pastoral care records (if enabled by the school), homework and timetable overview can be seen.

Other dashlets can be made visible by selecting other available options as shown below.

The screenshot displays the SEQTA engage dashboard interface. On the left is a navigation sidebar with the following items: Welcome, Assessments, Courses, **Dashboard** (highlighted with a green box), Direct Messages, Documents, Folios, Goals, and Notices. The main content area is titled 'ALL OPTIONS SELECTED' and contains several sections: 'Homework for Lauren Ailsa' with a task for 'Y10 English (Stream 1)'; a section for 'Continue reading the novel: To Kill A Mockingbird in preparation for novel study Week 8'; a progress indicator showing 'TOTAL' as 0 and 'Currently on step 1 and level 0.'; and a 'Timetable for Lauren Ailsa' for Monday 7 Mar and Tuesday 8 Mar. A settings menu is open on the right, titled '4 OPTIONS SELECTED', listing: Calculator, Notes (checked), Notifications, Pastoral care (checked), Pastoral care details (checked), Sentence generator, Timetable, and Unread forum messages (checked). A callout box with a green arrow points to the 'ALL OPTIONS SELECTED' dropdown, containing the text 'Click to select the viewing options'.

1.6 Direqt messages

Teachers and parents can exchange messages in an integrated message system.

When you receive a new Direqt message a new notification will appear in the notifications icon (top right). If you click on the message in your notifications list, the Direqt message screen will open and the message you clicked on in the notification will be displayed.

1.7 Documents

Schools can also provide parents with access to a range of documents. Examples of documents that schools may choose to make available include, camp forms, policies and procedures, excursion details etc.

The diagram shows a navigation flow from a 'Welcome Page' (dark blue arrow) to a 'Documents' page (light blue arrow). Below this is a screenshot of the SEQTA engage interface. The 'Documents' menu item is highlighted with a green box. A dropdown menu is open, showing a list of documents with checkboxes. A callout box with an arrow points to the '2016 Snow Camp' document, containing the text 'Click to select the options required'.

1.8 Folios

Students can create online folios in *SEQTA Learn* that can be shared with teachers, parents and other students. Folios do not need to be published to the selected audience until the student is ready to do so. Sharing of the folios allows for a high level of collaboration and input.

Teachers, parents and students can view and comment on Folios that have been published and they have been selected to view.

Any comments entered in a folio will trigger a notification to the owner of the folio.

1.9 Forums

Forums can be created by teachers to facilitate collaborative online learning. Teachers can select participants in the forum, set the topic for the forum, post relevant comments and resources and also monitor the online discussion.

The image illustrates the process of navigating to a forum in the SEQTA engage system. At the top, a blue arrow labeled 'Welcome Page' points to a larger blue arrow labeled 'Forums'. Below this, the SEQTA engage interface is shown. The left sidebar contains a navigation menu with 'Forums' highlighted in a green box. A green arrow points from this box to the '09Science 5 Forum' link in the main content area. A callout box with the text 'Click to open forum' is positioned over the 'Forums' link. The main content area displays the '09Science 5 Forum' page, which includes a 'Print assessment coversheet' button, a list of forum posts (e.g., 'TEST' by Chiara Christiansen and 'DO SOME WORK' by Mr Christiansen), and a rich text editor for posting new comments.

1.10 Goals

The goals area allows schools to track students' progress against specific educational and career goals. Parents can view student goals (if they have been created) for different timetable periods.

1.11 Notices

The Notices page is used to communicate information to parents. The notices are available to view on the dates designated when the notice is created. Parents can also review past notices by selecting the date required.

The screenshot shows the SEQTA engage interface. On the left is a navigation menu with items: Welcome, Assessments, Courses, Dashboard, Direqt Messages, Documents, Folios, Goals, Notices, Portals, Reports, Settings, and Timetable. The 'Notices' item is highlighted with a green box. The main content area has a date selector for '9 JUN 2015' with a green box and an arrow pointing to it labeled 'Date Selector'. A calendar pop-up for June 2015 is visible, showing the 9th as the selected date. The main content area displays three notice cards:

- Lorem ipsum**: All Students, Mr Gary Pare. Content: Donec condimentum ultrices libero ut ante aliquam egestas. Ut ullamcorper dictum massa, at scelerisque tellus aliquam et. Morbi nulla ipsum, condimentum sit amet congue sit amet, viverra ut ipsum. Nullam iaculis tincidunt mattis. In ligula nisl, sodales at hendrerit eu, tincidunt id arcu. Sed tempus sollicitudin diam id hendrerit.
- Morbi**: Year 12, Mrs Anne Templeton. Content: Quisque sed turpis risus. Pellentesque cursus condimentum tortor auctor condimentum. Etiam id sem a urna fermentum posuere quis vel purus. Mauris nec mollis massa. In eget mauris eget metus viverra eleifend a at risus. Fusce dolor ante, ultrices non bibendum vel, vehicula vitae enim. Curabitur ac sem sed magna rutrum porttitor eu eget arcu. Sed blandit mollis ultricies. Maecenas mi eros, cursus et luctus ut, tempor et nulla. Nunc sit amet condimentum justo. Vestibulum purus erat, malesuada vitae vulputate non, lobortis eu sapien.
- Maecenas vulputate purus**: Senior Years Students, Mrs Anne Templeton. Content: In convallis lacus non diam fringilla venenatis. Mauris congue, massa at mattis volutpat, nisl arcu pretium enim, congue feugiat sem sem ut quam. Aenean convallis hendrerit odio. Vestibulum congue est eu ante tincidunt eleifend. Sed orci augue, bibendum non hendrerit vel, egestas in lorem. Quisque aliquet sodales mauris vel auctor. Aliquam tincidunt interdum nisl ac gravida. Proin ac dui tempor turpis semper molestie non et sapien.

1.12 Portals

Schools can create *Portal* pages for additional content such as school library information, co-curricular activity information pages, parent body organisations, parent-teacher interview bookings and links to resources etc.

The diagram at the top shows a flow from a dark blue arrow labeled 'Welcome Page' to a light blue arrow labeled 'Portals'. Below this, a screenshot of the SEQTA engage interface is shown. On the left is a navigation menu with items: Welcome, Assessments, Courses, Dashboard, Direct Messages, Documents, Folios, Goals, Notices, Portals (highlighted with a green box), Reports, Settings, and Timetable. The main content area shows the 'Web Preferences - Home Page' for 'Jason Bourne - Year 11 Students 2016'. It features a progress bar with four steps: 1. Click Add New Preferences, 2. Select Your Preferences, 3. Submit Valid Preferences, and 4. View/Print Receipt. Below the progress bar are buttons for 'View Instructions', 'Add New Preferences', 'View Subject Details', and 'Log Out'. Two summary boxes are present: 'Submitted Preference Receipts' (with a note that receipts will be displayed after submission) and 'Remaining Submission Opportunities' (with a note that 10 opportunities remain).

1.13 Reports

Schools can choose to make student reports available to parents through SEQTA Engage. Current and past reports can be downloaded and viewed.

The diagram shows a flow from 'Welcome Page' to 'Reports'. Below it is a screenshot of the SEQTA Engage interface. The left sidebar contains a menu with 'Reports' highlighted. The main content area shows a header 'Reports: Chiara Christiansen' and a grid of report cards for '2015S1 Semester 1' dated 'WEDNESDAY, 11TH MARCH 2015'.

Reports: Chiara Christiansen		
2015S1 Semester 1 WEDNESDAY, 11TH MARCH 2015	2015S1 Semester 1 WEDNESDAY, 11TH MARCH 2015	2015S1 Semester 1 WEDNESDAY, 11TH MARCH 2015

1.15 Timetable

The *Timetable* page allows parents to view the individual timetable of each of their children. They can select to view tutorials, classes and/or events. Parents are also able to view their own timetable if they have been invited to events.

The screenshot shows the SEQTA engage interface. On the left is a sidebar menu with items: Welcome, Assessments, Courses, Dashboard, Direqt Messages, Documents, Folios, Goals, Notices, Portals, Reports, Settings, and Timetable (highlighted with a green box). The main area displays a weekly timetable for March 7-11, 2016. The timetable is a grid with time slots on the y-axis (8:00 to 15:00) and days on the x-axis. Each cell contains a class name, time, and teacher/room. For example, on Monday 7 Mar, there is a 'Beliefs & Values' class from 9:00-10:05 in Room 34 Slamese, and a 'Food Techn...' class from 11:30-12:35 in Room 29. The 'Timetable' link in the sidebar is highlighted with a green box.
